6 Weeks to Bake Sale Success

FOLLOW THESE TIPS FOR BAKE SALE SUCCESS IN JUST SIX WEEKS!

Week 1

- Customize Webpage. Login to your Fundraising Center and update your personal webpage with the details about your bake sale.
- Create an Address Book. While in your online Fundraising Center, add your contacts to your bake sale address book.
- Build a Team. Send an email to anyone who can help and ask them to join your team. Dividing up the workload among a team will make planning your bake sale a piece of cake.

Week 2

- Assign Jobs. Once your family, friends and coworkers have agreed to help your team, assign each of them a task to complete. (You’ll need Bakers, Promoters, Sellers, etc.)
- Secure a Location and Set a Date. While this can be done earlier, you may want to use contacts or the expertise of your team members to find a bake sale location. Remember to pick a location that will get you noticed.
- Email Bake Sale Staff. The Bake Sale for No Kid Hungry staff wants to hear about your progress and can answer your questions. To get connected, email bakesale@strength.org.

Week 3

- Update Personal Webpage. Regularly update your website with more details about your bake sale. Include a list of all the tasty treats that will be available for sale.
- Send Update Email to Team. Update your helpers on the planning so far, including the date and location, and remind them to tell everyone they know.
- Send Save-the-Date Email to Address Book. A sample Save-the-Date email is available in your Fundraising Center.

Week 4

- **Advertise.** Letting your community know about your bake sale is one of the most important steps. A great way to do this is by creating a Facebook Event and inviting friends and family to share the page.

- **Create a flyer** with location details, time, and date of your bake sale and then post them around your neighborhood and local shops.

- **Ask for donations.** To make life easier and help cut costs, ask local supermarkets, restaurants, and bakeries to donate items to your bake sale. Use the [Donation Request Letter](#) located on our resource page.

Week 5

- **Bake!** Make sure to have a lot of variety for your customers including beverages and healthy options. Bake ahead of time and freeze your treats.

- **Send Reminder Emails.** Now that your bake sale is so close, make sure you remind everyone to stop by and help end childhood hunger!

- **Post to Social Media.** Tell your friends about your bake sale by tweeting and updating your status on Facebook. When posting to social media, share a link to your online fundraising webpage and ask for online donations.

Week 6

- **Finalize Plans with Team.** Make sure that everyone on your team knows what to bring and when to arrive at the bake sale location.

- **Host the Sale.** Have a great time at your bake sale and be sure to take lots of photos.

- **Submit Funds.** Login to your [Fundraising Center](#) to donate your proceeds online or mail a check to: Share Our Strength, PO Box 75203, Baltimore, MD 21275.
